

Did you know that as mills are closing all around us, more timber than ever before in our history was cut from our public lands last year?

Did you know that the provincial government is allowing big business to take timber from public land away from communities eliminating the basis of their local economies?

**Call the Premier and Minister of Natural Resources and ask them why?**

**Demand a moratorium on transferring or exporting wood allocations from closed mills.**

Minister of Natural Resources  
Donald Arseneault  
506-452-2510 or 506-685-5252  
Email donald.arseneault@gnb.ca

Premier Shawn Graham  
506-453-2144 or 506-523-7980  
Email shawn.graham@gnb.ca
